Play Date for
PLV Kids

Hey Parklake Village Moms!

Would you and your children enjoy a set time to get together with other PLV moms and their children?

The PLV Play Date Group happens year round and welcomes more moms and their kids to join them over the summer!

A great support group that has tons of fun once a week!

Kids of all ages are welcome accompanied by a parent or caregiver. (Babies & Toddlers included)

PLV Teens Interested in future Baby Sitting Jobs right here at home should check this out, get some experience around kids, and network!
